

Prevent Child Abuse - New Jersey

HELP CREATE OUR TRENTON BIG PINWHEEL GARDEN

Prevent Child Abuse-NJ and The Rev. Dr. Darrell L. Armstrong invite you to participate in our annual Pinwheels for Prevention® campaign to observe Child Abuse Prevention Month (April) by building a Big Pinwheel Garden in Trenton, NJ.

Community and business leaders, government officials, nonprofit executives, students, advocates, service organizations, families and friends will wave their pinwheels in the spring breeze and then plant them on the lawn of Shiloh Baptist Church, forming the Trenton Big Pinwheel Garden.

The pinwheel was chosen as a national symbol of prevention because it is whimsical and evokes childlike notions, exemplifying the happy, healthy and safe childhoods all children deserve. Help us promote family wellness, positive parenting, healthy child development, and nurturing communities.
